Failure to submit requested information may result in a refusal by the appropriate State agency to enter into an agreement or contract with any such institution in termination of existing agreements.

## GENERAL INSTRUCTIONS

Please answer all questions as of the current date. If the yes block for any item is checked, list requested additional information under the Remarks Section referencing the item number to be continued. If additional space is needed, use an attached sheet.

## DETAILED INSTRUCTIONS

These instructions are designed to clarify certain questions on the form. Instructions are listed in order of question for easy reference. NO instructions have been given for questions considered self-explanatory.

IT IS ESSENTIAL THAT ALL APPLICABLE QUESTIONS BE ANSWERED ACCURATELY AND THAT ALL INFORMATION BE CURRENT.

### ITEM I – Identifying Information

(a) Under identifying information specify in what capacity the entity is doing business as (DBA), example, and name of trade or corporation.

### ITEM II – Self-explanatory.

### ITEM III – Owners, Partners, Officers, Directors, and Principals

List the names of all individuals and organizations having direct or indirect ownership interests, or controlling interest separately or in combination amounting to an ownership interest of 5 percent or more in the disclosing entity. 501 (c) (3) nonprofit and state-owned entities must list the officers or directors that have a control interest in the entity and managing employees in Section III(a). Since there will be no entries for any person with an ownership interest (Section III(b)), the percentage of ownership will always be less than 100 percent.

Direct ownership interest is defined as the possession of stock, equity in capital or any interest in the profits of the disclosing entity. A disclosing entity is defined as a Medicare provider or supplier or other entity that furnishes services or arranges for furnishing services under Medicaid or the Maternal and Child Health program or health related services under the social services program.

Indirect ownership interest is defined as ownership interest in an entity that has direct or indirect ownership interest in the disclosing entity. The amount of indirect ownership in the disclosing entity that is held by any other entity is determined by multiplying the percentage of ownership interest at each level. An indirect ownership interest must be reported if it equates to an ownership interest of 5 percent or more in the disclosing entity. Example: if "A" owns 25 percent of the stock in a corporation that owns 80 percent of the stock of the disclosing entity, "A's" interest equates to a 20 percent indirect ownership and must be reported.

Controlling interest is defined as the operational direction or management of a disclosing entity which may be maintained by any or all of the following devices; the ability or authority, expressed or reserved to amend or change the corporate identity (i.e., joint venture

agreement, unincorporated business status) of the disclosing entity; the ability or authority to nominate or name members of the Board of Directors or Trustees of the disclosing entity; the ability or authority, expressed or reserved to amend or change the by-laws, constitution or other operating or management direction of the disclosing entity; the right to control any or all of the assets or other property of the disclosing entity upon the sale or dissolution of that entity; the ability or authority, expressed or reserved to control the sale of any or all of the assets to encumber such assets by way of mortgage or other indebtedness, to dissolve the entity or to arrange for the sale or transfer of the disclosing entity to new ownership or control.

### ITEMS IV through VII – Changes in Provider Status

Change in provider status is defined as any change in management control. Examples of such changes would include a change in Medical or Nursing Director, a new Administrator, contracting the operation of the facility to a management corporation, a change in the composition of the owning partnership which under applicable State law is not considered a change in ownership, or the hiring or dismissing of any employees with 5 percent or more financial interest in the facility or in an owning corporation, or any change of ownership.

For items IV through VII, if the **Yes** box is checked, list additional information requested under Remarks. Clearly identify which item is being continued.

### ITEM IV – Ownership

(a & b) If there has been a change in ownership within the last year or if you anticipate a change, indicate the date in the appropriate space.

### ITEM V – Management

If the answer is **Yes**, list name or the management firm and employer identification number (EIN) or the leasing organization. A management company is defined as a ny organization that operates and names a business on behalf of the owner of that business with the owner retaining ultimate legal responsibility for operation of the facility.

### ITEM VI – Staffing

If the answer is **Yes**, identify which has changed (Administrator, Medical Director or Director of Nursing) and the date the change was made. Be sure to include name of the new administrator, Director of Nursing or Medical Director, as appropriate.

### ITEM VII – Affiliation

A chain affiliate is any freestanding health-care facility that is owned, controlled, or operated under lease or contract by an organization consisting of two or more freestanding health-care facilities organized within or across State lines which is under the ownership or through any other device, control and direction of a common party. Chain affiliates include such facilities whether public, private, charitable or proprietary. They also include subsidiary organizations and holding corporations. Provider-based facilities such as hospital-based home health agencies are not considered to be chain affiliates.

### ITEM VIII – Capacity

If the answer is **Yes**, list the actual number of beds in the facility now and the previous number.

### ITEM IX - Disclosure of Relationship

Please disclose any of familial relationships between principals and/or the provider (i.e., Husband, Wife, Natural or Adoptive Parent, Natural or Adoptive Child, Natural or Adoptive Sibling).
